

# Sauna Room

Imagine a place, easily accessible, free from routine worries, it requires no booking or reservations...a private retreat for complete physical and mental relaxation.

With an extraordinary combination of an innovative heater, exclusive controls and select wood rooms an ideal Saunas environment is created. Superbly engineered and finely crafted.

AQUANOMICS Sauna products offers many combined sauna rooms of all sizes available for your choice. Such sauna rooms can be assembled or disassembled in a few hours. One can also avail of our sauna material package which is actually do-it-yourself equipment. The complete package includes a heater, control, rocks, bucket, scoop, thermo-hygrometer and light. Applicable for family and VIP rooms.

Sauna room
